About the Tournament

32nd Annual BABC OC Golf Tournament

We are seeking your support as a sponsor of the 32nd Annual BABC OC Golf Tournament to benefit the British American Business Council Orange County and our supported charities. This event will be held on Thursday May 19th, 2022, at Strawberry Farms Golf Club, Irvine, CA.

The tournament offers a unique opportunity to target your company to an excellent field of international golfers and Orange County businesses, it's also the perfect chance to entertain key clients or reward employees.

Players will enjoy fun on-course games and refreshments, and a chance to win some amazing prizes. The awards dinner will feature some exciting Live and Silent Auction items as well as an outstanding raffle.

BABC OC gives back: For 32 years, the BABC OC has been committed to giving back to the community through this event and others. We have teamed up with ACS International Schools to send 2 deserving OC high school students on a life-changing, all expenses paid trip to the British Studies Summer Program offered at the ACS campus on Cobham, England.

We are delighted to also support the OC chapter of The First Tee, an amazing charity that through the game of golf, enables kids to build the strength and character that empowers them through a lifetime of challenges.
