EVENT INFORMATION

Welcome to the 33rd Annual BABC OC Golf Tournament to benefit the British American Business Council Orange County and our supported charities.

Players will enjoy all day food, bar, and entertainment, and a chance to win some amazing prizes. The awards dinner will feature some exciting Live and Silent Auction items as well as an outstanding raffle.

BABC OC gives back: For 33 years, the BABC OC has been committed to giving back to the community through this event and others. We have teamed up with ACS International Schools to send deserving OC high school students on a life-changing, all expenses paid trip to the British Studies Summer Program offered at the ACS campus on Cobham, England.

We are delighted to also support the OC chapter of The First Tee, an amazing charity that through the game of golf, enables kids to build the strength and character that empowers them through a lifetime of challenges.
